

*Continue in the faith, stable and steadfast,
not shifting from the hope of the gospel.*

– COLOSSIANS 1:23

- Pray for open hearts as women hear about this event and respond in faith to register.
- Ask the Lord to provide exactly what each woman needs in order to attend.
- Ask God to give women an earnest desire to be grounded in God's Word so they will remain unshakeable in these unstable times.
- Pray for Nancy DeMoss Wolgemuth as she seeks the Lord regarding the overall direction and flow of the conference program.
- Pray for the speaker team as they study and prepare messages. May each of them handle God's Word with precision and sense His clear direction and provision: Nancy DeMoss Wolgemuth, Mary Kassian, Dannah Gresh, Laura Perry, and more!
- Pray for God's anointing on our worship leaders as they prepare their hearts and minds to lead singing and sharing. Pray for the sweet aroma of Christ to be powerfully present during worship times.
- Pray for the online conference hosts to winsomely engage and minister to women watching from around the world.
- Ask the Lord to provide willing volunteers to serve and help in many areas: registration, greeters/ushers, the resource center, the prayer room, and more!
- Ask God to raise up a group of praying men to be onsite throughout the weekend to pray fervently for the conference and the needs of women.
- Pray for the Revive Our Hearts team to serve with excellence and humility as they fulfill their roles and responsibilities for God's glory.
- Ask the Lord to use this conference to spark revival and spiritual awakening in hearts, homes, and communities across the globe.
